Adana Yumurtalık Serbest Bölgesi Ceyhan/ ADANA

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in the standard ASTM C 1157 is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the accredited body No. AB-0048-U - CPC - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the periodical surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory

## ASTM C1157

The product(s) fulfils all the prescribed requirements set out above.

This certificate was first issued on 19.08.2016 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised Standard, used to assess the performance of the declared characteristics, do not change, and the product and the manufacturing conditions in the plant are not modified significantly.
